

## CUTTING-EDGE CLAY FOR CLASSIC PLAY

FieldTurf Classic Clay is a modern-day tennis court system that plays identical to a traditional clay court while retaining contemporary benefits.

With almost no maintenance or wearing, this surface has consistent ball bounce characteristics and looks like a true French clay court. The crisp white raised Permaline® lines are tufted and always visible, eliminating the need for remarking or repainting.

Prepared using tight-knitted tufted yarn, Classic Clay utilizes mineral infill with the raw material undergoing treatment, washing and pigmentation. The patented combination of these elements is what gives this system its classical clay properties.

### PRODUCT ADVANTAGES

- Play characteristics of a clay court
- ITF 1 rated—Slow Pace
- 10-year warranty for domestic use
- White raised Permaline® lines
- French clay-like terracotta

### SPECIFICATIONS

- Fibrillated fibre
- Dtex: 8800
- Pile height: 12 mm
- Yarn weight: 1130 g/sqm
- Recommended mineral infill: 17kg/sqm
